Course Leader: Guitar Care Consultant, Adam Chan

About the Course Leader

Founded Guitaring Passionately in 2009. Then, he was a HR practitioner and adventure learning educator. Within, he felt a calling that was hard to ignore. It has prompted Adam to pursue his passion for music and guitars. He began by providing guitar related services.

Along the pursue for mastery in guitars, he has invented the world's first portable dehumidifier that he named "the KILN". The invention has bagged the 2014 WIPO/IPOS award for design and innovation.

Guitaring Passionately services have grown from a home-based business into a brick and mortar set up. It has a workshop of 1200 square feet, fully suited up with machineries, jigs, fixtures and tools, all equipped for guitar related works.
